EDWIN S. KAHN

My practice consists primarily of acting as an arbitrator or mediator, under the auspices of the American Arbitration Association, The National Arbitration Forum or as privately-arranged. I also consult on matters involving constitutional law, complex litigation, federal courts and securities disputes. From time to time, I serve as an expert witness on litigation-related and ethics matters. I also serve as a pro bono lawyer in the area of health care advocacy for the Colorado Center on Law and Policy, which advocates for the interests of low-income Coloradans.
